1. The nature and purpose of the Terms and Conditions and the Study Guide (hereinafter referred to as the “Prospectus”)

Information on the training and examination of road drivers and road transport professionals laying down detailed rules for the application of 24/2005. (IV. 21.) GKM (hereinafter referred to as “the GKM Decree”) is defined in the 2. Annex and is considered as the General Terms and Conditions (GTC).

The purpose of the Prospectus is to reach an agreement between the training body and the participants in the subject matter, establishing a uniform set of conditions and establishing conditions for cooperation between them.

These terms and conditions are part of the contract between the parties, and only the parties are entitled to deviate from them in written declaration containing the same will of the parties.

2. The material, personal and territorial scope of the Prospectus

The Prospectus material scope is expanded of the training activities provided by the training organization (road drivers training courses). The Prospectus is within the personal scope of the training: training body, participant.

The territorial scope of the Prospectus covers all administrative units in the territory of Hungary where is engaged in training activities.

3. Temporal scope of the Prospectus, amendment

This Prospectus shall be effective from the commencement date of the training and shall remain valid until revoked, including any interim amendments.

The Driving School is entitled to amend the content of this Prospectus. Amendments shall enter into force on the date of their publication.

The current version of the Prospectus shall be continuously made available on the Driving School's official website and at the customer service office.

The participant is entitled to request information on the currently effective content of the Prospectus at any time and is obliged to familiarize themselves with and comply with its provisions throughout the duration of the training.

With regard to fees and charges, the always currently effective fee schedule shall apply, in accordance with the relevant provisions of this Prospectus.

Amendments to the Prospectus shall not affect services already paid for and duly credited to the participant.

4. Data of the training body

- Name (brand name): LikeDrive Autósiskola (LikeDrive Driving School)
- Headquarters: 1174 Budapest, Berzsenyi Dániel utca 59.
- Website: www.likedrive.hu (hereinafter referred to as "Website")
- Email: likedrive@likedrive.hu
- Phone number: +36 70 4343180
- Company name: Bulya Sándor egyéni vállalkozó (sole trader)
- Company form: egyéni vállalkozás (sole proprietorship)
- Registration number: 9075101
- Accreditation registration number: B/2020/005199
- (hereinafter referred to as "Driving School" or "training body")
- Name of the school director: Bulya Sándor
- School director's email: likedrive@likedrive.hu
- School director's phone number: +36 30 311 1532

5. Customer Reception

Customer reception at the Driving School office (1132 Budapest, Visegrádi street 47/B 1st floor room B1004) takes place at the reception time:

Monday 15:00 – 19:00

Tuesday: 12:00 – 16:00

For further information about customer reception, please contact the Driving School via email (likedrive@likedrive.hu) or phone (+36 70 4343180).

6. How to apply for the course and its conditions

6.1. In order to apply, the participant may contact the Driving School as follows:

- Directly visit the Driving School office
- by phone
- by email or
- by filling out the form on the Site, "Apply Now!"

Participants may apply for the Driving School's training courses in person or online, after reviewing this Prospectus and the Driving School's Privacy Policy, by completing and signing an application form. For the participant have the opportunity to send the application form in advance by e- mail to the Driving School. However, the original of the application form is still required to give personally at the Driving School office.

6.2. PAV examination is not required.

6.3. Conditions for admission to the course:

- has reached the age of 16 years and 6 months;
- payment of the first part of the course fee,
- a duly completed and signed application form.
- Hungarian residence permits valid at least for 6 months or Hungarian address card.

6.4. Deadline for Commencing the Course

- Following enrollment at the Driving School, the student is required to complete registration and start the course within 90 calendar days from the receipt of the registration link sent by the e-Titán system via email.
- If the student fails to complete the registration and start the course within the above deadline, the course registration opportunity shall automatically expire, and the course cannot be started using the previously issued registration link.
- The student acknowledges that in such case the Driving School has fulfilled its obligation by providing access and the possibility of registration; therefore, no refund, credit, or offset of paid fees shall be available.
- To continue the training, the student must initiate a new course registration and pay the associated fees again.
- The access period provided for the learning material shall only be applicable after the registration has been finalized and the course has been started.

7. Conditions for passing the exam:

7.1. Conditions for passing the theoretical exam:

- completed 16 years and 9 months of age;
- completion of the theoretical course,
- less than 9 months elapsed since the beginning of the theoretical course,
- payment of theoretical examination fee,
- a duly completed and signed application form,
- write and read knowledge
- a declaration of primary education and
- a valid medical fitness certificate.

Within 9 months of the registration, the student must pass the theoretical exam, which in case of unsuccessful can retry, but within 12 months of the registration must pass a successful theoretical exam. After these deadlines, the student can only take the theoretical exam again after repeating the course. The application for the theoretical exam must be submitted at least 20 working days before the deadline to ensure the Driving School can secure an exam date in time.

The successful traffic knowledge exam is valid for 2 years. If the examinee does not complete all exams successfully within this period, all their successful exams and completed courses will become invalid.

In connection with organizing examinations, the Driving School may charge an exam administration fee, which covers internal costs related to exam administration, scheduling coordination, and related administrative services.

7.2. Prerequisites for Practical Examination:

- completed 17 years of age,
- completion of the required hours (29 practical + 1 exam hours) and the prescribed driving distance (580 km),
- a properly completed and signed application form and
- payment of the practical exam fee.

7.3. Conditions for Issue of Examination Certificate:

- proof of successful theoretical exam,
- proof of successful practice exam
- successful First Aid Exam Certification is First Aid Knowledge issued by the Hungarian Red Cross subjects. Exemption may be requested under the appropriate medical education certificate pursuant to Decree 31/1992 (XII.19.) NM.
- Proof of primary education, which is possible in the following ways:
 - enter your identity documents with your doctoral title
 - the origin of the document certifying school completion, or a notary or certified by the issuer copy of. In the case of foreign certificates and diplomas, the original document and its certified translation, unless if the diploma or certificate can be found in "Certificate and Diploma Sample" is established by the Transport Authority.
 - in the case of foreign certificates and diplomas, by a competent Hungarian authority recognition certificate, localization clause, official certificate, official verification, information or a student relationship issued by a higher education institution in Hungary not older than 3 months a certificate stating that the certificate or diploma in question certifies at least a level of basic education presupposes its existence.

8. Course subjects and required number of hours and compulsory driving distance

8.1. Theoretical subjects and lessons

- Basic transport knowledge: 18 hours
- Driving theory: 6 hours
- Structural and operational knowledge: 4 hours

The theoretical lessons last 45 minutes / lesson. Theoretical education is 4 x 45 minutes, ie 4 lessons. In the case of e-learning, theoretical education is based on the curriculum of EduKresz.

8.2. Practical sessions, hours, distance

- Mandatory distance: 580 km
- Required number of hours: 29 hours + 1 exam lesson consisting of:
 - Basic education: 9 hours
 - Main training (Traffic): 20 hours - as follows:
 - City: 14 hours
 - Highway: 4 hours
 - Night: 2 hours
 - Exam: 1 hour

Practical training can be started after a successful theoretical exam. The date of practical lessons can be agreed with a vocational trainer.

Practical lessons last 50 minutes. In Basic education max. 2 hours driving is possible per day, in Main education maximum. 2 × 2 hours per day, among min. 2 hours break.

When reaching 580 km drive and completing 29+1 hours of practical training as well as in case of unsuccessful traffic exam, the instructor may propose additional practical classes.

The duration of the traffic exam is 60 minutes, of which 50 minutes are continuous driving. The specified period includes information of the examiners from the progress of the examination and the assessment of the exam.

After the fifth unsuccessful traffic exam, PAV examination is mandatory.

8.3. Accelerated Practical Training

- The Driving School offers the possibility of accelerated practical training. The purpose of accelerated training is to provide driving sessions more frequently than usual.
- The student acknowledges that the planned frequency of 4–5 driving sessions per week does not constitute a guaranteed commitment and is merely an objective, which may vary depending on instructor availability, exam scheduling, and the student's own availability.
- The use of accelerated practical training requires flexible scheduling on the part of the student and adaptation to the time slots offered by the instructor.
- The student acknowledges that choosing accelerated practical training does not give rise to any claim for compensation, penalty, fee reduction, or other claims against the Driving School if the above scheduling objective cannot be met during a given period.

9. Absenteeism

9.1. The trainer's delay, absence

In practical training, the students need min. 20 minutes to wait for the instructor, a missed driving lesson must be replaced later without paying an additional hourly fee.

9.2. Lack of student

If a student is prevented from attending, he / she can cancel the agreed practical training lesson as follows:

- at least 48 hours before the beginning of the lesson - without any obligation to pay,
- within 48 hours before the beginning of the lesson, must pay the hourly fee for the lesson

- If the learner does not appear in the agreed session without prior notification, this is the case paying the hourly fee for the unused hour and replace the missed practical driving lesson.
